Purify for Pets

Cleanse your pet naturally

How to give Purify to your pet?

Purify was designed to help the body rid itself of parasitical organisms. The product has also been reported to be effective for various animals as well. The following is a suggested dosage for using *Purify* with your pet:

Dogs: Hold open the dog's mouth and apply the proper tincture dosage to the back of the throat; alternatively you can mix Purify in with their wet food. Maintain a daily regime for 30 to 90 days.

✓ Adult Small Dogs (up to 15 pounds): Give 15 drops daily.

✓ Adult Medium Dogs (16-40 pounds): Give 30 drops daily.

✓ Adult Large Dogs (41-70 pounds): Give 45 drops daily.

✓ Adult X-Large Dogs (over 70 pounds): Give 60 drops daily.

Cats: Hold open the cat's mouth and apply the proper tincture dosage to the back of the throat; alternatively you can mix Purify in with their wet food. Maintain a daily regime for 30 to 90 days.

✓ Adult Cats: Give between 10 - 15 drops daily.

Note: Most animals will not like the taste of Purify, so you may want to mix the liquid formulation it into their wet food.

If offering it to them in capsule form, put some form of lubricant on the capsule (eg. butter) then place it in the back in the throat of the animal while keeping its head up. Close the mouth and stroke the underside of the neck until the animal swallows. Be certain your pet drinks a lot of water to assist in the cleansing process.
